

Commitment to Safeguarding

Kidderminster Choral Society Family of Choirs (Kidderminster Choral Society, Wyre Forest Young Voices and Primary Chords) [hereafter called “KCS Family of Choirs”]

KCS Family of Choirs believes that a child, young person or adult at risk should never experience abuse of any kind. We recognise that everyone has a responsibility to promote the welfare of all children, young people and adults at risk. We are committed to safeguarding the well-being of all children, young people and adults at risk we come into contact with and to protecting them from harm.

Legal Context

The law requires any organisation involving young people and vulnerable adults to take all reasonable measures to ensure that the risk of harm to their welfare are minimised, and where there are concerns, to share them with other local agencies. The relevant legal requirements arise from:

- The Children Act 1989
- The Human Rights Act 1998
- The Protection of Children Act 1999
- The Sexual Offences (Amendments) Act 2006
- The UN Convention on the Rights of the Child
- The relevant government guidance includes Safe from Harm 1993
- Working Together to Safeguard Children 1999
- Caring for the Young and Vulnerable 2000

KCS Family of Choirs recognises that it is not the role of our organisation to decide whether a child or vulnerable adult has been abused or not. This is the role of the Social Services department who have legal responsibility or the NSPCC who have powers to investigate child protection concerns under the Children Act.

Good Practice

In developing this policy, KCS Family of Choirs has taken input from the national amateur music performance association Making Music and the NSPCC.

About this policy

- This policy applies to; all members, staff (whether employees or freelancers), volunteers and anyone working on behalf of KCS Family of Choirs or taking part in KCS Family of Choirs activities.
- The purpose of this policy is to provide members, staff and volunteers with the overarching principles that guide our approach to the protection of all vulnerable people
- This policy recognises vulnerable people as:

- Children up to the age of 16 or young people aged 16-18.
- Adults aged over 18 at risk as defined by the Safeguarding Vulnerable Groups Act 2006. This might include adults with learning or physical disability, a physical or mental illness, chronic or otherwise, including an addiction to alcohol or drugs, or reduced physical or mental capacity. This policy also recognises risk is determined by the activity an adult is taking part in and not solely on the personal characteristics or circumstances of the adult, as such any adult can be at risk, and the risk can be temporary.
- This policy aims to:
 - Protect children, young people and adults at risk who are; members of, receive services from, or volunteer for, KCS Family of Choirs
 - Ensure members, staff and volunteers working with children, young people and adults at risk are carefully recruited and understand and accept responsibility for the safeguarding of those vulnerable individuals they are interacting with.
 - Ensure that safeguarding of children, young people and adults at risk is a primary consideration when KCS Family of Choirs undertakes any activity, event or project.

How KCS Family of Choirs might work with vulnerable people

We run regular rehearsals for members and put on concerts for the general public. As such our involvement with vulnerable people might include, but is not limited to:

- Members of the group who attend rehearsals and concerts
- Relatives and friends of members who attend rehearsals and concerts in a volunteering capacity
- Audience members at public concerts
- Professional musicians and performers

Named Safeguarding Officers:

Caroline Lee (Kidderminster Choral Society)

Wendy James (Wyre Forest Young Voices)

Carol Hill (Primary Chords)

The above have responsibility for safeguarding issues. All queries and concerns relating to safeguarding should be referred to the above, in the first instance, for the appropriate choir.

Any projects, events or other activities that will involve vulnerable people must be planned with the involvement of the above named safeguarding officers and in line with established procedures and ground rules.

Procedures and ground rules: Are laid out on Page 3 and any subsequent pages of this policy.

Policy review: This policy will be reviewed and amended (if necessary) on an annual basis by the KCS Committee. It will also be reviewed in response to changes in relevant legislation, good practice, or in response to an identified failing in its effectiveness.

Recruitment practices around safeguarding

If an existing or potential new member, staff member or volunteer will be working with vulnerable people as part of the KCS Family of Choirs activities the appropriate level of DBS will be requested before that work is undertaken.

The level of DBS check required will be decided by the committee and in line with DBS rules regarding regulated activity. The results of any check to inform a decision will be used confidentially and in line with the KCS Family of Choirs equal opportunities policy.

Ground rules and ways for working regarding safeguarding of vulnerable people

When KCS Family of Choirs organises an activity or event where they will be responsible for vulnerable people they will ensure:

- Planning is carried out in line with this policy and procedures.
- The event is attended by an appropriate number of DBS checked adults – this will be a minimum of one but more when practically possible.
- Where practically possible the total number of adults in attendance (not necessarily DBS checked) compared with the total number of children will be in line with the ratio table below - as per Ofsted recommendations.
- There is a main contact for safeguarding on the day - this will be an individual who has been DBS checked.
- The main contact has access to emergency contact details and other relevant details (e.g. information about picking up arrangements for vulnerable people).

- That if vulnerable people of different gender will be taking part in activities adults of different gender will be in attendance too.
- A vulnerable person is not be left alone with an adult, unless that adult is DBS checked and carrying out regulated activity.
- Two adults (one DBS checked) should be the last to leave a venue once the activity has finished and will be responsible for ensuring vulnerable person or people safely leave or are picked up from the venue.

Child to Adult Ratio Table (applies to Wyre Forest Young Voices & Primary Chords)

Childs age	Number of adults	Number of children
2-3	1	4
4-8	1	6
9-12	1	8
12-18	1	10

Working with parents/guardians

If a vulnerable person wishes to take part in KCS Family of Choirs activities written permission (email is fine) should be obtained from parents/guardians where appropriate, and before the activity takes place. Written permission should include: emergency contact details of any relevant pick-up arrangements – including permission for another adult to pick up the vulnerable person after the activity has finished.

Procedures for raising safeguarding concerns and incidents of abuse

- If any member, staff or volunteer in KCS Family of Choirs witnesses, suspects or is informed of a witnessed or suspected case of abuse they should immediately report it to the named safeguarding officer.
- If the named person for the concerned choir is not available, or is involved in or connected to, the abuse, it should be reported to the designated safeguarding officers of the two other choirs..
- If an individual wishes to report an incident of abuse against themselves they should report it to the named safeguarding officer or an individual they trust.

Procedures for dealing with concerns and incidents of abuse

The Named person (or person reported in their absence) will first make a decision based on the immediacy of the concern and the following two factors:

1. If the vulnerable person is in immediate danger or needs emergency medical attention – call the police and/or ambulance service.
2. If the person at the centre of the allegation is working with vulnerable persons at the current time – remove them, in a sensitive manner, from direct contact with vulnerable people and follow the procedures below.

If none of the above applies the named person will:

- Make a note of the concerns reported to them.
- Speak with committee members to decide how to handle the reported abuse. Excluding any committee members who are involved in the incident.
- Escalate the report by either:
 - Raising concerns with the police – for serious or possible criminal offences.
 - Requesting an assessment by the local authority social care department about whether a vulnerable person is in need of protection.
 - An internal investigation – for less serious incidents where they feel internal mediation will be successful.

- Where cases are escalated the committee will cooperate with the police or local authority in dealing with the reported incident.
